## ROYAL COMMISSION.

THE following Report of the Royal Commission appointed to inquire into certain matters concerning the Nakusp and Slocan Railway is published for general information.

By Command.

A. CAMPBELL REDDIE,  
Deputy Provincial Secretary.

## REPORT.

To the Honourable Edgar Dewdney, Lieutenant-Governor of the Province of British Columbia:

We, the undersigned Commissioners appointed by the Commission of the twentieth day of April, 1894, to inquire into certain matters therein mentioned, concerning the Nakusp and Slocan Railway Company, have the honour to report that the manner in which that inquiry has been made, and the evidence taken therein, will appear by the record of the proceedings of the Commission, which we have the honour to submit herewith.

It will be seen from the notes of evidence that, though full notice was given of the time and place of sitting, and also, in our opinion, a sufficient intimation that the reasonable expenses of witnesses would be recouped to them through the Commissioners, no one has thought fit to appear in support of the accusations.

The only person from whom we have received any assistance in this direction has been the Hon. Robert Beaven, M. P. P., who, though not responsible for making the charges, brought forward some facts upon which he suggested the absentee accusers might have relied.

These were, first: irregularity in acting upon the Statute of 1893 before it had actually been brought into force, which could only be done by an Order in Council.

But this seems, though an irregularity, to be quite inadequate to support the charge of corruption against the Minister. The Statute of 1893 was brought into operation by an Order in Council almost immediately afterwards. The whole transaction has been confirmed and ratified by the Statute of 1894, and the irregularity, so far from demonstrating that the Minister was then the agent of the Company, points distinctly in the opposite direction, since it would have been the first care and duty of such an agent to see that everything was in order.

And secondly: Mr. Beaven pointed out that, in the opinion of many persons, the undertaking which the Statute of 1894 imposed upon the Government, in lieu of that under the Statute of the former year, was so manifestly disadvantageous that it was to be inferred that it could only have been introduced and supported through corrupt motives; though it must be added that he did not make such a charge.

It does not follow, of course, that a bad bargain must be a corrupt bargain. An honest Minister, with no motive or desire except to serve his Province, might make a mistake. We do not wish to suggest for a moment that any such mistake has occurred in the matter into which we have been inquiring. On the contrary, we think that under the evidence adduced, and the arguments addressed to us, only one conclusion is open to us, and that is that the arrangement for the construction of the Nakusp and Slocan Railway, which was ratified by the Act of 1894, is more advantageous to the Province than the arrangement contemplated by the Act of 1893, and we have had no difficulty in arriving at that conclusion. But, however that may be, on the issues more directly submitted to us by the Commission, there is, we think, no room for doubt, and we find as follows, that is to say:—

Firstly: That the Honourable the Premier of the Province, in advising the guarantee mentioned in the said Commission, did not work for the Company, but worked for the Province;

Secondly: That the statement made by the Honourable Member for Nanaimo District, in his place in the Legislative Assembly, that it appeared that the Honourable the Leader of the Government had been working for the Company and not for the Province, is not true;

Thirdly: That no corrupt motives of any kind existed with or influenced Your Honour's Ministers in the advice tendered by them to Your Honour in relation to the Nakusp and Slocan Railway Company;

Fourthly: That no one of Your Honour's Ministers has had, or has, any interest, directly or indirectly, in  
(a.) The Nakusp and Slocan Railway Company, or  
(b.) In the Construction Company by which such railway is being built; or

(c.) In any contract by or with either of the said Companies, either in furnishing materials or supplies, or in any way whatsoever.

All of which is respectfully submitted.

Dated the 15th day of May, A.D. 1894.

NOTICE is hereby given that Friday, the 25th day of May, instant, will be observed as a holiday in connection with the celebration of Her Majesty's Birthday, at the Public Offices of the Provincial Government, which will be closed on that day.

E. DEWDNEY.

GOVERNMENT HOUSE, VICTORIA,  
23rd May, 1894.

PRESENT:

His Honour the Lieutenant-Governor in Council.

WHEREAS by section 21 of the "Legislative Electorates and Elections Act, 1894," it is, among other things, provided that where any impediment, misfeasance or omission shall have happened in the preparation, printing or publication of any document of what kind soever, the Lieutenant-Governor in Council may take all such measures as may be necessary for removing such impediment, or rectifying such misfeasance, or supplying such omission:

And whereas, pursuant to section 16 of the said Act, the Collector of Voters for the North Victoria Electoral District has given notice of the holding of a Court of Revision at Hugh Rogers' Hotel, Burgoyne Bay, Salt Spring Island, on Thursday, May 31st, 1894, at 12 o'clock noon, for the purpose of hearing the claims of any persons who allege that their names have been improperly struck off or omitted from the list of voters for the North Victoria Electoral District, and notice of such intended Court has been duly published in the British Columbia Gazette, as required by sub-section (f) of section 6 of the "Provincial Voters Act," but copies of such notice have not been posted in the office of the Collector nor on the door of the principal Court House of the Electoral District, nor in three conspicuous places within the district, but notices of the holding of a Court of Revision at the place and time aforesaid, and for the purpose aforesaid, have inadvertently been issued under the hand of Joel Broadwell, Esquire, Distributing Collector, and copies of such notice have been posted on the places mentioned in sub-section (f) of section 6 aforesaid:

And whereas it is expedient to take measures for correcting the matters aforesaid:

Now, therefore, by virtue of section 21 of the said Act and all other powers and authorities, the Lieutenant-Governor in Council in that behalf enabling, His Honour the Lieutenant-Governor has been pleased to order, by and with the advice of His Executive Council, and it is hereby ordered, that notwithstanding the failure of the Collector to cause copies of the notice of holding the said Court of Revision to be posted in manner provided by sub-section (f) of section 6 aforesaid, the said Collector shall hold the said Court of Revision in manner as advertised by him as aforesaid by notice in the British Columbia Gazette, and that the proceedings at such Court shall be as valid and effectual as if the provisions of sub-section (f) of section 6 of the said "Provincial Voters Act" had been fully complied with.
